Re: Bolivina Perca Zone, Reservoir P
South Thornwell Field
Jefferson Davis Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **DENBURY ONSHORE, LLC** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the establishment of rules and regulations and the creation of a single drilling and production unit for the Bol Perca Zone, Reservoir P, in the South Thornwell Field, Jefferson Davis Parish, Louisiana:

1. To establish rules and regulations and to create a single drilling and production unit for the exploration for and production of gas and condensate from the Bol Perca Zone, Reservoir P, in the South Thornwell Field, Jefferson Davis Parish, Louisiana, said unit to be designated BOL P RP SUA.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit with each tract sharing in unit production on a surface acreage basis of participation.
3. To designate Denbury Onshore, LLC as operator of the proposed unit.
4. To designate the Denbury Onshore, LLC – A. Fontenot No. 1 Well as unit well for the proposed unit.
5. To provide that any future wells drilled to the Bol Perca Zone, Reservoir P, in the South Thornwell Field, should be located in accordance with the spacing provisions of Statewide Order No. 29-E.

6. To provide that the Commissioner of Conservation should be authorized to reclassify the proposed zone and reservoir by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.
7. To consider such other matters as may be pertinent.

The Bol Perca Zone, Reservoir P, in the South Thornwell Field, is hereby defined as being that gas and condensate bearing zone encountered between the depths of 10,770 feet and 10,984 feet (electrical log measurements) in the Denbury Onshore, LLC – A. Fontenot No. 1 Well, located in Section 27, Township 11 South, Range 5 West, Jefferson Davis Parish, Louisiana.

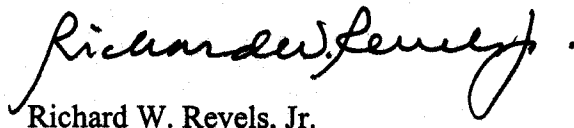

Pertinent data, including well logs, may be obtained **AT THE COST OF THE REQUESTING PARTY** from Leon Comeaux & Associates, Post Office Box 53922, Lafayette, Louisiana 70505, Telephone Number (337) 233-9839.

Pursuant to the Revised Rules of Procedure, a pre-application conference was held on February 4, 2004, in Lafayette, Louisiana, at which the parties named on the attached list were in attendance. The conference was opened with representatives of the applicant explaining the bases for the unit proposal. Questions were asked and answered. Counterplans were presented by Bryan Groves, representing Germaine Fontenot Rhodes, Bill Clay, representing Jean Fontenot Pucheu and David Sturlese, representing Max D. Davidson, et al. Each of the parties presented geographic units of varying sizes and shapes. Differences among the parties could not be resolved. The conference was then adjourned.

Attached hereto and made a part hereof is a plat outlining the applicant's unit proposal, the conference attendance list and a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being sent. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the list of parties will be furnished to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed is our check on behalf of the applicant, in the amount of \$755.00, **made payable to the Office of Conservation** representing the required hearing application fee.

Very truly yours,

Richard W. Revels, Jr.
